Ron:

AS YOU CAN SEE FROM THE ENCLOSED PHOTO'S, YOUR SPREADER BAR LED LITES ARE WORKING EXTREMELY WELL, AS A MATTER OF FACT, "THEY'RE AWESOME".

THANKS FOR REPLACING THE LITE BOARDS & LENSES RATHER THAN REPAIRING THE OLD ONES. YOUR POLICY OF STANDING BEHIND YOUR PRODUCTS GOES ABOVE & BEYOND WHAT ONE WOULD EXPECT IN THIS DAY & AGE.

IT HAS BEEN 15 YEARS & 3 OWNERS LATER. MOST COMPANY'S AREN'T EVEN IN BUSINESS THAT LONG, OR ELSE THEY MERGE AND WE GET THE SHAFT. THE FACT THAT YOU ARE STILL IN BUSINESS TELLS ME SOMETHING.

AT THE M.S.R.A. IN YORK, PA THIS YEAR I RESEARCHED ALL THE VENDORS WITH SPREADER BAR LED'S, BECAUSE I WAS HAVING A PROBLEM I THOUGHT I MAY JUST AS WELL REPLACE YOURS, AS IT TURNED OUT, I COULDN'T FIND ANY THAT EVEN CAME CLOSE TO YOURS. THE ONES I DID FIND HAD ONLY 6 LED BULBS ON EACH SIDE AND THEY STUCK OUT FROM THE SPREADER BAR, THEY WEREN'T FLUSH LIKE YOURS WITH 48 LITES ON EACH SIDE. YOUR PRICE MAY BE A BIT HIGHER, BUT THEIR IS NO COMPARISON. IT'S THE OLD SAYING, "YOU GET WHAT YOU PAY FOR"

KEEP UP THE GOOD WORK

A SATISFIED CUSTOMER

SINCERELY

RON FORTNA
